Please answer the following questions honestly as these will be a major determining factor in your ability to participate in the Seaside trip this year.

1. Describe two or more reasons why you would like to come on the Seaside trip.

2. What important leadership qualities do you believe you possess? Why are they so important to you as a leader?

3. What TEAM experience did you have this past year that you would like to share with incoming freshmen? Explain why you think it would make their freshmen experience better.

4. Part of being a leader is demonstrating your character and creativity. Use this question to your advantage and answer in a manner that lets us know who you are. Choose a color, then describe this color using taste and smell, instead of sight.

5. Do you have any problems or conditions that might interfere with the Seaside trip? If yes, please explain.

After we have reviewed your application and made our decisions, you will have to complete and return a signed permission slip, set of rules and required deposit. You will be notified of the cost when you receive a permission slip. This will include campsite, kayaking, Saturday dinner, Sunday breakfast, and transportation costs.
