

What is TEAM?

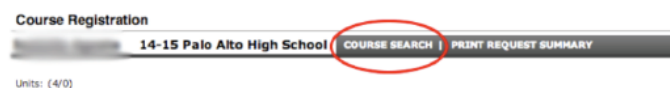

TEAM stands for “Together Everyone Achieves More” and is a small community of about 120 ninth graders at Paly who share core academic classes, (English, World History and Biology). TEAM students go on several field trips together during the year, including a week in Yosemite, in order to build our community. We also participate in service learning and enjoy making new friends.

Who is in TEAM?

The TEAM teachers are Karin Kolb and Alanna Williamson (English), Steve Gallagher and Steve Sabbag (History), and Liz Brimhall and Randy Scilingo (Biology). TEAM students come from a wide variety of backgrounds and interests representative of the Paly Community.

How do I sign up for TEAM?

1. While you are signing up for the rest of your classes on Infinite Campus, add TEAM as an additional "Requested Course". Type "TEAM" into Course Search.

Units: (4/0)

2. Click on "8460 Intra TEAM".
3. Click "Request this Course" button.

4. TEAM will now appear somewhere in your “Requested Courses” list as “8460 Intra TEAM”.

Requested Courses:

8460 Intra Team
4410 Spanish 1
3130 Biology
7010 Band

5. That's it! Remember, TEAM won't really take up an extra period of your day, it's an interdisciplinary program that happens through your Science, English, and History classes.
